What's the Buzz? Jesus Christ Superstar!

By Laura Pedulli

"What's the buzz, tell me what's happening..."

The answer is simple: *Jesus Christ Superstar*, a musical set to sweep the stage of the Old Rochester Regional High School's (ORRHS's) auditorium this weekend is "what's happening." The production – a fundraiser for the Drama Club – is the result of the hard work and dedication of approximately 45 current and alumni students.

Describing the musical as a "refresher production," director Paul Sardinha pored over the rediscovered Gnostic gospels to help shape the relationships in the play. Specifically, new books that delve into Jesus and Judas' friendship, the role of Pilot and his wife in the crucifixion, and Mary Magdalene's role as a disciple figure are integrated into the body language and mood of the production, although the songs themselves remain unchanged. "We still have a Jesus in the world. There were over 100,000 crucifixions, so why is this one so special? Something was going on," Mr. Sardinha said.

"I think it works out well. Historically, there is a negative view of Judas, that never made sense of me," commented Nathan Valente, who plays Jesus, at a recent rehearsal. "It was a friendship with someone who had no choice but to betray." Interestingly, Nathan's brother, Aaron Valente, is playing the role of Judas. Although they

have appeared in plays before, this is the first play for which they regularly interact on stage. "It definitely made for an interesting dynamic," Nathan said.

Aaron agreed, stating that he enjoyed spending time with his brother. "It works well; it's fun because we never get to do stuff together," he said. He also recalled listening to the musical with his brother as children every Easter. "We could have sung through the whole thing before rehearsals," he said.

Alexandria Mello, who plays Mary Magdalene, learned the songs of the musical just this summer. "I just fell in love with it. I enjoy the music," she said. Ms.

Above: The Mattapoisett YMCA enjoyed a clear night at their Saturday, August 7, 2010 annual clambake. The clambake benefits the YMCA's initiatives and is a fun way for the community to help the non-profit group meet its annual financial goals. Photo by Felix Perez.

Above: Mattapoisett resident Heather Briggs Hobler celebrates a victorious ride at the August 7 and 8 2010 Dana-Farber Pan-Mass Challenge. Ms. Hobler was one of 20 Tri-Town residents who rode to raise money for cancer research. Photo courtesy of Peter McGowan.

On the Cover: Prepare yourself for a splendid performance of Tim Rice and Andrew Lloyd Webber's *Jesus Christ Superstar*, which will be performed by the ORR Drama Club August 12 through 15 in the ORRHS auditorium. The cast will include Nathan Valente as Jesus, Aaron Valente as Judas and Alexandria Mello as Mary Magdalene. Tickets are \$15 for adults, \$12 for students and seniors, and can be purchased at the door or by calling 508-789-6625. Photo by Felix Perez.

Mello described the challenge of playing such an iconic character. "It is frightening to do the role; they are big shoes to fill... What I find within myself to betray [sic] her, it is a different feeling."

Helen Blake, a costume designer who has worked on ORRHS productions for 18 years, commented on the sheer volume of fabric required for the musical. "We tried to get what Jesus wore as honest and true to the time as possible," she said.

Ms. Blake also commended Mr. Sardinha's work behind the scenes: "He's magic... not the magician - he's the magic," Paula Cobb - who helped build the set - agreed. "He's very talented. Whatever he wants to put together, it will be special and magical."

Mr. Sardinha drew the conceptual drawings of the set, which Ms. Cobb constructed using plywood, cardboard and Styrofoam. A two-tiered stage with rustic color columns exudes the feel of the Middle East 2,000 years ago. Approximately 200 lights are used in the production; their positions are painstakingly programmed into a computer to illuminate the show.

"The theater creates magic for the audience, but only if it is done well. It is an immense amount of work," said Mr. Sardinha. During his 18 years at ORRHS, Mr. Sardinha has contributed to 143 plays.

Overall, Mr. Sardinha thinks the mixed cast of current high school students and alumni is beneficial due to the mentorship relationships it creates. The six-week

Point Connett Fire Ruled Accidental

By Anne O'Brien-Kakley

The Point Connett fire at 21 Bay Road that took place on the evening of July 22 has been ruled accidental, according to Mattapoissett Fire Chief Andrew Murray.

Chief Murray said that the cause of the fire was determined to be "rags soaked in paint thinner or stain left in an inappropriately ventilated area." Chief Murray added: "The structure is being deemed a total loss." At no point in the investigation did Chief Murray suspect arson, but the case was reviewed by the state fire marshal.

Area residents described the fire as moving fast and producing a lot of smoke. The fire was viewed as far as Town Wharf and Angelica Point.

The Mattapoissett, Marion, Rochester and Fairhaven fire departments all responded or assisted in the July 22 blaze.

Aerial Spraying Complete, Curfew Remains

By Anne O'Brien-Kakley

The last round of aerial spraying for mosquitoes was completed in Rochester and north of Mattapoissett Route 6 on Saturday, August 7. The two nights of aerial insecticide spraying throughout southeastern Massachusetts were in response to abnormally high counts of Eastern Equine Encephalitis (EEE) found in tested Bristol and Plymouth county mosquito pools by the Massachusetts Department of Public Health (MDPH).

Two horses, one in Middleborough, and one in Worcester county, have died from EEE so far this year. The MDPH is calling the early, high EEE counts unprecedented, and considered it a public health emergency last week, prompting the need to conduct an aerial spray. The pesticide, called Anvil, targeted adult mosquito populations throughout the region. The

MAKING SENSE OF INVESTING

aerial spray was not conducted directly over the coast or drinking water.

Prior to the aerial spray, the individual Boards of Health in Mattapoisett, Marion and Rochester placed a 6:00 pm curfew on all town activities, including clambakes, concerts, ball games, beach and playground activities in response to the EEE threat. Despite the aerial spray, the 6:00 pm curfew will remain in effect throughout the Tri-Town, until the Boards of Health are otherwise directed by the state.

"[MDPH officials] are the ones that tell us when it's severe," said Mattapoisett Board of Health Agent Dale Barrows, who said that further mosquito pool testing conducted by the state would determine whether or not the individual towns would be able to lift their curfews. If the state determines that the EEE is significantly lowered by the aerial spray, they may advise towns to lift their curfews. Until then, the curfew remains, and all town grounds in Marion, Mattapoisett and Rochester will be closed to public activities after 6:00 pm.

Health officials are warning the public to continue avoiding mosquito bites by wearing long sleeves and pants, applying DEET-based bug repellent, and avoiding peak mosquito hours of dawn and dusk. "People still need to be vigilant about applying their bug repellent," said Karen Walega, Health Director for Marion. "This is usually the highest time for mosquitoes," she added.

For more developing information on post-aerial spray mosquito testing, please visit the state website at www.Mass.gov.

Regatta Sails into its 38th Year

By Anne O'Brien-Kakley

Marion Village was abuzz with activity this past weekend as the Beverly Yacht Club hosted their 38th annual Buzzard's Bay Regatta. Tiny sailboats dotted the horizon as they competed in the various regatta categories: Red Circle, Blue Circle, Green Circle, C420s and Yellow Circle.

The Buzzard's Bay Regatta is one of the largest multi-class regattas in the country. Over 450 boats participate in the yearly event, along with 1,200 sailors.

Parking was tight in Marion village as both participants and onlookers alike flocked to the highly anticipated sailing event.

The Regatta started in 1972, when Bill Saltonstall of the Beverly Yacht Club and Bob Saltmarsh of the New Bedford Yacht Club attempted to combine a number of smaller regattas into one large regatta to improve attendance. Included in the regatta were the Beverly Yacht Club, the New Bedford Yacht Club, the Low Tide Yacht Club, the Mattapoisett Yacht Club, the Angelica Yacht Club and the Wild Harbor Yacht Club.

The result was an instant success, and the first regatta enjoyed a turn-out of 199 competitors. Today, the Buzzard's Bay Regatta has over doubled in participation,

Marion Antique Show Takes a Break

By Anne O'Brien-Kakley

This upcoming weekend should have been filled with antiques and hors d'oeuvres, conversation and music, but instead, the Fish Center at Tabor Academy will be quiet, with no more than its usual traffic. The Marion Antique Show, which usually fills the Fish Center with rare and collectible items from all over the world during one August weekend, will be taking a break this year.

The Show, which is hosted annually by the Sippican Historical Society, (SHS) is one of the major summer draws for the Tri-Town area, and is a highly anticipated event for antique enthusiasts across the country. The SHS website says "Given the difficult economic conditions of the past year, our Board of Directors has voted to postpone the Marion Antiques Show for one year, until the economic climate sufficiently improves."

Marion Antique Show co-president and antique dealer Frank McNamee said that the economy is the main reason for the break. "There were indications from the exhibitors... that about half weren't coming," he said. The Show, which generates money for the SHS and its town improvement projects, generates revenue from the event by renting space to antique dealers. If the dealers don't come, the revenue simply isn't generated.

"It's the same amount of work, same expenses, but we take in half the revenue," said Mr. McNamee. "This was a financial decision made by the Board."

The Board of Directors cited an economic slump as the main reason for taking the year off, but Mr. McNamee said that the break was needed for other

reasons as well. The Board of Directors hoped that, by taking a year off, they could rejuvenate the pool of volunteers, some who have been participating in the Marion Antique Show for all 18 years of its existence. But Mr. McNamee said that, in order to make the show thrive in the future, the Directors are going to have to capture a new audience.

"Interest in antiques has been declining due to lack of interest from young people," said Mr. McNamee, who noted that most of the returning antique dealers at the annual event specialize in 18th and 19th century antiques. A large portion of antique enthusiasts are people in their 70s and 80s, he said, and they are more interested in cleaning out the items they already have instead of

buying more.

It is not just the Marion Antique Show that is suffering from lack of interest though. Mr. McNamee said that other antique venues, like the Ellis Boston Antiques Show, have also decided to take a break. This will also not be the first break for the Marion Antique Show, which took a year off about a decade ago when Tabor Academy was in the process of building the new Fish Center.

Mr. McNamee said that the Antique Show will return either in 2011 or 2012, and when it does return, it will come with some changes and diversification. Included in these changes will be an attempt to capture the interest of a younger generation with vendors who specialize in 20th century "antiques" (also known to some as "vintage" items).

Each year, the Marion Antique Show generates income for SHS, which in turn uses the funds for various town projects. In the past, they have completed historically minded renovations to Marion's U.S. Post Office on Front Street, donated trees to Route 6 and managed the Island Wharf project. Last year's show generated \$40,000 for town improvement projects.

Selectmen was called to order by Chairman Naida Parker on August 9, 2010 at 6:55 pm in the Rochester Town Hall conference room. Also in attendance were Selectmen Richard Nunes and Bradford Morse, Town Administrator Richard LaCamera and Assistant to the Selectmen Veronica Lafreniere.

Under Selectmen's Signature items, Mr. LaCamera informed the Board that a committee of Rochester and Wareham interested parties, including the Wareham Town Administrator and Mr. LaCamera himself, had selected a candidate for the combined Rochester/Wareham Town Planner position. The selected candidate is John Charbonneau, and the position will be split up, Tuesday and Thursday in Rochester, Monday, Wednesday and Friday in Wareham. His salary will be 40 percent covered by Rochester, which totals \$24,000 annually. The Board voted to sign the job offer to Mr. Charbonneau.

Under his Town Administrator's report, Mr. LaCamera said that the "school project is going very well," and is still on schedule for December 2010

completion. The precast construction for the 14-room addition began on July 7 and concluded last week. Once the addition is complete in December, one-third of the older section of school will be moved into the new section to facilitate a renovation of the old wing. Construction workers will then use April and summer vacation of 2011 to complete the entire renovation portion of the project.

When the project is complete, the new Rochester Memorial School will have a 70,000 square-foot renovation and a 34,385 square-foot two-story addition. According to the RMS fact sheet, the entire project will cost \$20,564,000.

The Board received a significant amount of Correspondence since their last meeting. Included in their correspondence was the following:

- Rochester resident Susan Peterson sent a letter to the Board expressing interest in a projected opening on the town's planning board. Since one planning board member will be moving from town, she submitted her resume to the Board for consideration in the vacancy. Chairman Parker described her experience as "lengthy and impressive," but the Board did not act on the submission yet, since the planning board member had not yet officially announced his resignation.

- Chief Dispatcher Tracy Eldridge submitted a request to the Board for permission to destroy previous 911 detail records, dating from January 1, 2003 to July 31, 2006. The Board voted to authorize this request.

• The Board heard correspondence from Daryl Manchester, Clerk Magistrate, concerning a public hearing on the Wareham Trial Court's possible relocation. The public hearing will occur on Thursday, August 12, 2010 at 5:00 pm in the Brockton District Court. Both Rochester Police Chief Paul Magee and Mr. LaCamera plan to attend the hearing.

Chief Magee has made it clear, in previous correspondence to the Board, that the closing of the Wareham District Court will negatively impact his department.

Included in the correspondence regarding the relocation of Wareham District Court was a letter to Chief Magee from District Attorney Timothy Cruz. Atty Cruz,

along with Representative Susan Williams Gifford and Representative William Straus, have expressed opposition to the court's closure, citing a strain on area law-enforcement and a strain on local businesses who rely on customers from the court. Atty Cruz said that he would be in attendance at the public hearing, and in the meantime, requested detailed information from Chief Magee on how the court's closure would negatively impact the Rochester Police Department.

- In an updated letter from the state, the Board learned that the owner of the Hathaway Pond Dam in Rochester must complete a "hazard reclassification request" by September 30, 2010. The pond dam is currently classified as "unsafe". The letter from the Commonwealth also stated that the dam would have to be in complete compliance and repair by November 30, 2011.

- The Board received more correspondence from the Board of Health (BOH) and the Massachusetts Department of Health (MDPH) regarding the ongoing Eastern Equine Encephalitis (EEE) threat to the southeastern portion of Massachusetts. The BOH said that the 6:00 pm curfew for all public beaches, parks and ball fields in Rochester and Marion would still stand, despite the regional aerial spray of a mosquito pesticide called Anvil. The letter from the BOH said that this effort to keep the public safe from mosquitoes is the result of "levels of EEE virus in mosquitoes [that] are the highest they have

seen in decades". The BOH still urges the public to "apply insect repellent when outdoors and wear pants, long sleeves, and socks to prevent mosquitoes from biting" until the first frost.

The Board noted that several Rochester Country Fair events, including the ball game on Friday night, the bonfire and the Woodsman Competition were canceled due to the EEE threat. For more information on EEE, the public is invited to call the BOH at 508-763-5421, ext 1. Mr. LaCamera also said that more information on EEE could be found on the town website: www.TownofRochesterMass.com.

• NSTAR also informed the board that there would be "a new pilot grant program to help towns

within NSTAR Electric service territory promote residential energy efficiency." NSTAR plans to provide funding for up to five pilot communities this fall, for the sake of educating the public and encouraging residents to be energy efficient. "Town-appointed energy committees, energy offices, conservation commissions and local non-profit community organizations partnering with town offices are invited to apply," said Jan Gudell, NSTAR program manager.

The Board then voted to renew their three-year lease with the Rochester Women's Club for the clubhouse that the town hall uses as an annex on Route 105.

Town Counsel Blair Bailey informed the Board that there would be a training session on the updated

list of Open Meeting Laws at the next department head meeting. There will also be a night meeting on this topic for the members of all boards, committees, commissions, sub-committees, and ad-hoc committees, since the laws apply to all these groups.

Mr. LaCamera told the Board to start considering whether or not there will be a need for a fall Special Town Meeting. Right now, there is only one article for a Special Town Meeting. The article, which concerns the abolishment of the Historical District Commission (HDC), was tabled at the Annual Town Meeting. The article cannot proceed, however, without a report from the HDC, which needs to be submitted to the state. In turn, the state has a 60-day comment period as part of the review process before the article can go to town meeting.

The HDC has not had a meeting to complete this necessary paperwork, however. "What do we do if they don't have that meeting?" Selectman Morse asked the Board. The Board said that they would monitor to see when the next HDC meeting was posted, but the article will likely not be ready in time for a fall Special Town Meeting.

The next Rochester Board of Selectmen meetings will take place on August 23, September 13, September 27, October 4, October 18, November 1, November 15 and November 29.

The Board voted to adjourn at 7:30 pm.

Environmental Impact Report Upheld

Marion Board of Selectmen

By Anne O'Brien-Kakley

A special meeting of the Marion Board of Selectmen was called to order by Chairman Roger Blanchette on August 4, 2010 at 7:00 pm in the Marion Town House. Also in attendance were Selectmen Jonathan Henry and Stephen Cushing.

The Board met for the sake of one agenda item: a Notice of Project Change for the Marion Village Estates, a.k.a. Bay Watch Realty Trust, a proposed affordable housing complex slated for construction on Front Street.

The original project application included 192 units, 425 parking spaces and 26.5 acres of altered land.

The updated project would include 168 units, 299 parking spaces and 22.7 acres of land altered.

In 2003, the Board had made it clear that they, and the ZBA, wanted the full environmental impact report from Bay Watch Realty Trust for the slated project. Since Baywatch Realty Trust had reduced the size and scope of the project, they asked the Commonwealth of Massachusetts to reduce their environmental requirements, stating that the new parameters of the project no longer necessitated a full environmental impact report. The applicant hoped that the state would only require some paperwork and not the full report. Before making a decision on the request, the Massachusetts Environment Policy Act (MEPA) asked the Town of

Animal Advice

Jay Gould, DVM

Insect Bites

My dog came inside from his run with a number of 1/2 inch red marks on his belly that were shaped like bullseyes. Are these from deer tick bites? Does it mean that he will get Lyme Disease?

Because of the mild winter, this spring has been especially bad for black flies and biting gnats. These are the small flies that circle your head in the morning and evening. When they bite a dog, usually on the belly and ears where the hair is thin, they leave a characteristic bullseye shaped mark.

Is there a way to prevent him from being attacked by these flies?

Try putting Avon Skin So Soft on the areas that have a thin hair cover. Other insect repellents containing DEET may not be safe on your dog. Use them very sparingly, as on the ears only.

Christian McCullough / Michael Bichsel - Owners

Marion, including the Board of Selectmen, to make a comment on the environmental report reduction.

Since a comment had to be received by the Commonwealth by August 10 for an August 20 decision, the Board couldn't wait until their scheduled meeting on August 10 to discuss the matter, hence the reason for the special meeting. Members from other boards, including the Zoning Board of Appeals (ZBA), the Planning Board and Conservation Commission (ConCom) were present in the audience to offer public comment.

The actual Marion Village Estates project has been the subject of ongoing appeals and litigation for the past eight years, according to Chairman Blanchette. After the ZBA rejected Baywatch's original application, the applicant appealed the decision with the state Housing Appeals Committee (HAC), who approved the project. The Town of Marion appealed HAC's decision, but the project approval was upheld by both the Superior Court and Appeals Court.

The 168-unit reduced project was approved by the ZBA in 2009.

At an August 2 meeting, the Marion Planning Board expressed serious concerns about the Baywatch project and its impact on the water supply for Marion residents. They believed that the residents, who already pay an unusually high amount for their water and sewer, would have to pay for updates to the wastewater treatment facility if Marion Village Estates is built.

Additionally, ConCom expressed concern over what Planning Board Chairman Jay Ryder referred to as "reckless disregard" to clear-cutting by Bay Watch Realty Trust, who was issued a cease and desist order by Building Commissioner Richard Marx in March of 2010 for illegally clear-cutting 17 acres of land. Bay Watch is trying to de-certify one of the two certified vernal pools on site, which was made a water protection district after Bay Watch filed their application.

Mr. Ryder, speaking as a Marion resident, said, "I'm alarmed that there aren't more people here. This is a project that will change the quality of life here in Marion. Does our wastewater facility have the capacity to handle an additional 30,000-plus gallons of water each day? I think the answer is 'no'... Gentlemen, is there any chance that you can pull a rabbit out of the hat? If this project does go through, the town of Marion will change, and I don't think any of us want that."

Chairman Blanchette explained that the sewerage moratorium was in place to prevent strain on the sewer infrastructure in town, and that, despite efforts by

the applicant to bypass others "in line" for sewerage connection, they have had to wait their turn for a connection, for which they applied in 2005. They will not get any cost breaks either, said Chairman Blanchette, who estimated that their cost for tie-in would be \$10,000 per connection, which would be \$1.68 million for the whole project by the Chairman's estimates.

"Is it true that we will have to make almost a half-million in upgrades to the wastewater treatment plant?" asked Mr. Ryder.

"That's news to me," said Chairman Blanchette. "And that doesn't mean the rest of the town will be picking up their bill," he added. "I disagree with your logic." Chairman Blanchette said that it was in the town's best interest for the project to tie into town sewer, since the site is close to the town's well water. "It's better to get the sewerage off-site," he said.

Mr. Ryder stated: "I, for one, will not pay for this project with increased taxes, sewer and water rates. I want to go on record for that. This is not a good project for this town."

Selectman Cushing said that attempts to put off the applicant could result in even more litigation.

"If there were ever a time to litigate, it's now," said Mr. Ryder. "We've lost battles, but not the war."

Attorney Whitten claimed that the town had, in some respect, already won the "war." The scope of the project was smaller, and the project would include both

rented and owned units. "I think the town has protected its interests very well," he said.

The Board clarified that there is no final plan in place, and no one had reviewed a final plan for the project. Bay Watch is under a deadline to complete the application process by January 2011, since Massachusetts voters will be deciding in November 2010, whether or not to repeal 40B housing. If voters decide to repeal 40B, affordable housing, developers will have to follow local bylaws. Still, Selectman Henry said that they should not make their decision based on whether or not a repeal may or may not pass.

Selectman Cushing said that although he still thought that the full environmental impact report should

be necessary, he hoped that the project would go through. "I would hate Marion to lose out on affordable housing," he said, noting that his children cannot currently afford to buy a house in Marion. "But we need to protect the town of Marion," he added.

"We have spent money and effort," said Chairman Blanchette, who also wanted to uphold the full environmental impact report. "At this place in time, we shouldn't allow [the applicant] to get the short route."

Selectman Henry said that the project would help a lot of longtime town residents to stay in their community, regardless of their income. "I'd like to see the project get built," he said.

The Board unanimously voted to authorize Attorney Whitten to send a letter to MEPA supporting the Board's original requirement for a full environmental impact report to be conducted. Attorney Whitten said that they would still have to receive the final decision from the state, but he hoped that the comments would weigh into the state's ultimate decision.

The Board voted to adjourn at 7:58 pm.

Town House. Also in attendance were Selectmen Jonathan Henry and Stephen Cushing, Town Administrator Paul Dawson and Assistant to the Selectmen Helene Craver.

The minutes of the July 13 and August 4 meetings were approved.

Since there were no Appointments for the evening, the Board went straight into Action items.

- The Board signed a credit memo to Robert Merrow for \$199.36 for an abatement that the Board voted to approve at a previous meeting.

- The Board voted to sign a water/sewer commitment in the amount of \$115.

- Three one-day all-alcohol licenses were approved: one for the Zell Foundation for an event on September 4, one for the Buzzard's Bay Habitat for Humanity for an event at the Music Hall on September 17, and one for the Marion Social Club for a baby shower on August 22.

- The Board approved a contract renewal with Tata and Howard for general town engineering services, unrelated to any specific project.

- The Board voted to appoint Timothy Crowley to the newly combined Trees and Parks Committee and appointed Thomas Magauran to the Community Preservation Committee.

- The Board did not approve requested appointments of Steven Grima, Sherman Briggs, Christopher Bryant, L. Lee Hayes, Thomas Magauran,

Alan Minard, Joseph Napoli and Sidney Weinberg to the 2015 Oversight Committee.

"My feeling is that this committee was not appointed in the routine way," said Chairman Blanchette. "It was not advertised... I've had a lot of second thoughts since then... There are some special interest situations here. This is a committee that has a lot to do with the shape of this town." Chairman Blanchette suggested that the Board postpone the appointments so they could advertise the committee vacancies and see if they could get new people interested in volunteering their time. "Maybe we'll still end up re-appointing them," said Chairman Blanchette. "This is part of an ongoing quest to get new people involved in town business."

The delay will be no longer than 30 days, which will give time for advertisement. The Board agreed to table the appointment requests. Any town residents interested in the vacancies on the 2015 Oversight Committee can send a resume to Town Administrator Paul Dawson, 2 Spring Street, Marion, MA 02738.

- The Board recognized a list of items that the

Sippican School no longer needs. The items, which included old computer equipment, tapes and books, were declared surplus by the Board's vote. Anyone interested in seeing the list of items can visit the Town House Selectmen's office.

• The Chairman read into record a letter from the Board to former Marion Public Health Nurse Amanda Stone. The Board thanked her for her "compassion" and dedicated service to the town.

In his Town Administrator's report, Mr. Dawson said that the VFW requested the Board change the time of the Marion Block Party on August 28 to address the 6:00 pm curfew that the Board of Health had instated on all town property activities. After confirming that the police department was aware and approved of the proposed time change, the Board voted to move the Block Party time earlier in the day. The new time of the party will be 11:30 am to 6:00 pm.

Mr. Dawson updated the Board on Converse Road water main work. "We have received a number of complaints regarding the quality of the road," said Mr. Dawson. "We have been made aware of some safety issues regarding signage and lighting," he added. Mr. Dawson said that the safety issues have been addressed and that the "end was in sight". Chairman Blanchette and Selectman Cushing noted that the road was difficult to navigate since there was a concave groove in the center of the roadway to navigate.

"The end of the work is in sight," Mr. Dawson repeated.

"So we are looking at this thing being repaired in the next month or two?" asked Chairman Blanchette.

"Yes, definitely," replied Mr. Dawson.

In his final update, Mr. Dawson informed the Board that they had received a letter from former Marion volunteer fire fighter Bradford Silva requesting a public hearing to discuss his termination from the fire department. In his letter, Mr. Silva said, "I feel I was wrongfully terminated and I would like to appeal this decision and have a meeting with the selectmen and my attorney."

The Board voted to deny the request, since a public hearing with the Selectmen would be "fruitless" according to Mr. Dawson. A Massachusetts "Strong Chief Law" statute, adopted by Marion, gives the Fire Chief "full and absolute authority" over the hiring and firing of personnel.

Under Correspondence, the Board received the following communication:

- A letter from the Board of Health requesting a meeting with the Sewer Commissioners to discuss a public health issue regarding possible contamination that may have resulted from construction on the water/sewer system.

- A letter from Marion resident Carol Sanz volunteering for the newly formed Capital Improvement

Committee. The Board said they would make a decision on appointments for this new committee at a later meeting.

- A petition letter from Job's Cove residents requesting the Board conduct a hearing regarding an ongoing dog nuisance complaint. The petition, which included nine signatures, alleged that the owners of a beagle at 4 Job's Cove Road have allowed the dog to bark at all times of day and night. According to the petition, the neighbors describe the barking as "an ongoing situation that disturbs the quiet peace of [the] neighborhood." Both the petitioners and the dog owners were informed that the Board will conduct a public hearing on August 17 at 7:30 to discuss the matter and possibly act upon the

complaint.

- A letter from State Representative William Straus inviting the Board and all interested parties to a public hearing concerning the closing of the Wareham District Court.

"Nobody wants to see the county courthouses close," said Selectmen Henry.

Mr. Dawson agreed, saying that the closing would mean "significant cost" increases to the town if law enforcement business had to be conducted at the Plymouth Courthouse instead. According to Mr. Dawson, Chief Lincoln Miller intended to attend the public hearing to give testimony on how the closure will negatively impact the Town of Marion.

- A letter from Elizabeth Leidhold of the Marion Natural History Museum to the Board praised the efforts of the Town's Harbormaster office in regards to the Museum's recent programs.

"We have the finest harbormaster's office in the northeast," said Chairman Blanchette.

"By far," agreed Selectman Cushing.

- Correspondence from the Division of Marine Fisheries confirmed that aquaculture applications from Benjamin Bryant and Catherine Brodeur have both been approved. The applications will now move onto Marion Conservation Commission for approval and then will come before the Board again for final approval.

- In a final item of communication, the Board

read a letter from the Alcoholic Beverages Control Commission (ABCC) saying that all liquor license holders will now have to hold a minimum amount of liquor liability insurance coverage. The minimum amount of insurance coverage is \$250,000. The memo was forwarded to all 12 liquor license holders in Marion, and in turn, all the license holders must submit proof of coverage by August 26.

Before adjourning, Selectman Henry took a moment to "collect his thoughts" and address Public Health Nurse Amanda Stone's resignation. Ms. Stone has since accepted a position in Mattapoisett. "Our loss is [Mattapoisett's] gain," he said. "You can't overstate the importance and the worthwhileness (sic) of a public health nurse," he said. "They are the eyes and ears of public health in town... Thank you Amanda. You had your place in a very distinguished position in Marion. [The appreciation letter from the Board] doesn't go far enough."

The Board voted to adjourn at 8:13 pm.

Board Endorses New Member

Rochester Planning Board

By Laura Pedulli

A meeting of the Rochester Planning Board was called to order by Arnold Johnson on August 10, 2010 at 7:00 pm at the Rochester Town Hall. Also present were committee members Gary Florindo, Robert Cummings,

Dan McGaffey, Bendrix Bailey, John DeMaggio, Planning Board Secretary Shirley Darcy and new Town Planner John Charbonneau. Susan Peterson of the Open Space Action Committee and Town Counsel Blair Bailey also were present.

At the beginning of the meeting, Mr. Johnson and the board continued a discussion with Phil Herr, a planning consultant, on advancing the village overlay district, exploring economic activity and development, and framing a process for adoption of a proposed land use map. Mr. Herr provided the board with a draft document on these topics as a starting point to the Planning Board's efforts to establish a revised town-wide land use map for vote at the next town meeting.

As the meeting began, the board discussed the impediments that may exist in the existing provisions for economic activity in the agricultural and residential district and how best to address them. Currently, Rochester has an occupation list that exempts certain home businesses from receiving town approval to operate.

"The best thing to do is not make a list," Mr. Herr said, contending that the board should examine how a business affects neighbors in terms of noise disruption and flow of employees, for example. "We should use function of business performance instead of a list," he clarified. Mr. Johnson agreed that bylaws could help protect abutters from noise – especially from early morning truck activity – and safety hazards.

"This is Rochester. Rightly or wrongly, there is an attitude of leaving people alone. No one has tested that list. I'm all for not having a list – but if not a list, then what?" responded Attorney Bailey, Town Counsel. Atty. Bailey also noted that it would be "a bear to enforce [new bylaws]." After some discussion, though, Atty. Bailey recommended establishing a Special Permit process for individuals wishing to work from home. "I think a Special Permit is the way it should go," he said, adding that such a special permit should delineate setbacks, screening and hours of operation.

Mr. Charbonneau also weighed in, saying that creating a list can inadvertently create problems. "When you don't leave room for interpretation, it creates fewer

problems," he said.

On an additional topic, Mr. Herr discussed framing the Planning Board's efforts to rezone the district by working on a map to add to the Master Plan. He noted that the current Master Plan does not include a map. "One thing we could do is refine the map, vote on it as part of the Master Plan. With public hearings, that would carry some weight," Mr. Herr said.

"I think a new map should be linked to the Master Plan," Mr. Charbonneau agreed, suggesting that public hearings should be informal and offer examples from other towns ideas the board wants to incorporate in Rochester.

The discussion then ended with Mr. Herr scheduled to meet with the Planning Board again on September 28.

Mr. Johnson then asked Atty. Bailey his opinion on whether the board could allow an extension for a Back Lot Special Permit that recently expired. Mr. Bailey first responded that the bylaws need changing specifying deadlines for permits, as they are not addressed currently

in the town bylaws. Part of the Special Permit allowed for a lot to be buildable, which Mr. Bailey said stands despite the deadline because it is recorded in the Registry of Deeds.

Overall, Mr. Bailey said: "You can allow an extension despite the passing deadline. The extension is needed so the common driveway is taken care of." Thus, the board unanimously voted to extend the deadline by 10 years.

The board then approved minutes for July 17. At this point, Alan Ewing of Alan Ewing Engineering presented an Approval Not Required application to allow the division of a 62 acre parcel into two 31 acre pieces. The application was on behalf of George Church of 139

Mattapoisett Road.

In honor of the late Judge Chris Byron, Mr. Cummings made his final motion as a board member to endorse the ANR.

Mr. Johnson then reported that Ms. Peterson, present at the meeting, applied to fill the empty slot on the Planning Board. The board unanimously invited her to join the board. A joint meeting between the Selectmen and Planning Board will occur to further vet their new recommended candidate.

Mr. Charbonneau then briefly mentioned his efforts to update the town web site with local links and project links. He also said he is pursuing several grant opportunities for the board.

With nothing left on the agenda, the board adjourned at 8:25 pm.

Amendments to Approved Pier Debated

Mattapoisett Conservation Commission

By Laura Pedulli

A meeting of the Mattapoisett Conservation Commission was called to order by Chairman Tyler Macallister on August 9, 2010 at 6:30 pm at the Mattapoisett Town Hall. Also present were commission members Carmelo Nicolosi, Ken Dawicki, James O'Dowd, agent Rene Drouin, and Conservation Committee Secretary Marcia Perry

and Thomas presented a Request for A Determination of Applicability (RDA) for minor grading to fill, remove boulders and level mounds on North Street to Crystal Spring Road. According to Mr. Thomas, NSTAR is seeking to add additional cables to its substation due to outage programs. NSTAR thus would install eight intermittent poles and update one existing poles to carry the cables a quarter of a mile from the substation to I-195. The work cited is required to clear an access road to transport and install the poles.

Describing the site as "laced with wetlands," Mr. Thomas said that NSTAR will file a Notice of Intent (NOI) on August 13 that will detail the full scope of work, and how it will affect these environmentally sensitive

areas. "NSTAR would like to commence work at the earliest convenience," he said, noting that it would like to complete installation of the poles by the end of October. Mr. Thomas said the work "will not cause any ground disturbance next to wetlands" and that erosion controls, such as swamp mats, will be utilized. Further, he said that NSTAR is working with the National Heritage and Endangered Species to minimize environmental damage.

Shortly after the presentation, the commission voted to accept the plan with a negative three determination on the condition that no work is done in the resource area of the plan.

For the next hearing, Bruce Rocha of Fisher & Rocha requested a negative RDA for an 11-by-13-and-a-half foot shed Harry and Bobbi O'Hare seek to build on their property at 3 Oyster Lane. An abutter present at the meeting reviewed the plans and stated no concerns. With little deliberation, the commission accepted the plan with a negative two determination.

Susan Nilson of CLE Engineering presented a NOI on behalf of the Town of Mattapoisett for a footbridge rehabilitation and replacement located on the bike path over the Mattapoisett River. Ms. Nilson said that the town is looking at using students from Old Colony Regional Vocational Technical High School to assist with the project. Bonne DeSousa of Friends of the Mattapoisett Bike Path, who was at the meeting, stressed, "this is a bridge for feet and bikes" and not authorized for

vehicle use. Ms. Nilson noted that the proposal includes no in-water work

Overall, Ms. Nilson said that work would require a 14 foot wide access road for trucks, which will be done by the Friends of the Mattapoissett Bike Path. The YMCA will allow use of the parking lot as a staging area, she added. "There will be no grading or stumping, only cutting," she said. Mr. Macallister noted that the Department of Public Works and Eco-Heritage, "have all given green lights so far."

Following the presentation, the commission approved the NOI on the condition that the trucks are cleaned off site.

Ms. Nilson also presented a Request for an

Amended Order for pier modifications at Starboard Way on behalf of Lawrence Oliveira. The applicant seeks to amend an April 16 approved plan to decrease the size of the pier from 230 feet to 223 feet and the addition of steps leading onto the seawall fastened by sonet tubal footing. Ms. Nilson said the reduced length of the pier addresses concerns by the Department of Environmental Protection that the pier disturbs eel grass.

In regard to the stairs, Mr. Nicolosi said, "I'm not convinced this is a reduction in the scope of work. If it is an increase in the scope of work, we cannot amend it." The rest of the commission agreed that the steps would not be approved in the amendment.

Christian Hicks then approached the commission with concerns about the amended proposal. He argued that the shortening of the pier increases the environmental impact of the proposal because boats birthing and docking at the site will be in shallower waters of between 2.3 and 2.6 feet. "It's an increased impact on soft-shell crabs and co-hogs," he argued.

Mr. Macallister disagreed. "When you decrease the pier, you decrease the length of flow and the overall impact. The difference between the piers is two tenths of a foot," he said, noting that the old proposal has the level water between 2.8 or 2.6 feet for boats. "I think less impact on the eel grass is more important than the impact on the co-hogs."

With Mr. Hicks, an environment engineer

was present to give a presentation on his study of the proposed change. Mr. Hicks urged the commission to listen to his presentation, and Mr. Macallister deferred to the members on the matter.

"I think anything that comes out of it is negligible," said Mr. O'Dowd.

"I think it is a day late and a dollar short," said Mr. Davicka, noting that the two tenths or fourth tenths change is water level for boat maneuvering is not a significant increase in environmental impact.

"Two tenths matters. It matters. All we are asking is for you to hear us on whether it matters," responded Mr. Hicks. Mr. Macallister said the current proposal is similar to other piers in the area. "Mattapoisett is fairly consistent when it comes to depths." He added: "It you are moving away from the eel grass line, at the end of the day it is a decrease in scope."

Mr. Nicolosi noted, "Well, it is a public hearing," and after some dialogue back and forth, the commission said Ms. Nilson has the right to continue the hearing to provide her own expert to speak on the matter. Ms. Nilson opted to continue the hearing. After some discussion, the commission voted to continue the hearing for the first meeting in September. Mr. Macallister stressed that only the proposed amendments are up for appeal, but the plan approved in April is still valid.

Then Alan Ewing approached the board for an Abbreviated Notice of Resource Area Delineation on

Marion Mile Final Results

By Chris Adams

The ninth annual Marion Mile running series for kids just ended recently. It was a tough summer with one week canceled due to lightning, one week with 100-degree heat and the final week's early start due to the EEE threat. Unfortunately, a few of the key runners were missing due to the time change and a couple of age group match-ups simply did not happen.

Nine-year-old Jack Marvel was the overall

spraying was conducted to target the growing number of mosquitoes infected with the EEE virus.

Despite these measures, the Board of Health is still advising residents to remain vigilant and continue to use insect repellent with DEET when venturing outdoors, including during the daylight hours. Mosquitoes are most active from dusk to dawn. If you go outside during those times be sure to use insect repellent with DEET and also to wear protective clothing such as long sleeves, long pants, and socks.

Public beaches, playgrounds, and parks remain closed after 6:00 pm. All outdoor activities scheduled for the evening should be rescheduled so that they are not held during peak times of mosquito activity. For more

St. Anthony's Seeks Used Books

Want to get rid of used books? St. Anthony's Parish in Mattapoisett is raising money through donations of new and used books, CDs, DVDs, videos, records and audio books. The group has recently placed a drop-off donation container to collect these items from community members who would like to repurpose their used goods while also helping the parish raise money. The group will be paid on an ongoing basis for all items collected in their donation container.

The gray book donation container, distinguished by its purple and yellow 'Got Books?' signs, is located in the parking lot of the parish at 26 Hammond Street. This program is an ongoing fundraiser and the public can make donations at any time. All funds raised through the collection of these donations will benefit the general funding of the parish.

located at 247 North Avenue is an independent church and welcomes everyone to worship at 10:00 am every Sunday. The pulpit is filled by volunteers from the congregation or guest speakers. Nancy Sparklin is in charge of the music, assisted by Charles Chace.

On the second Sunday of the month, following the service, everyone is invited to join together for food and fellowship at a brunch prepared by the members of the congregation. The church is handicap-accessible. For more information on special events or changes to the schedule please call Barbara Besse at 508-763-8838. Please note: The church is not UCC affiliated.

The upcoming schedule is as follows:

- **August 15** - Rev. Dr. Kathy Gayoski
- **August 21** - See them at Rochester Country Fair
- **August 22** - No Service - Rochester Country Fair

Parade

- **August 29** - Paul Harrison
- **September 5** - Communion

RHS at Country Fair

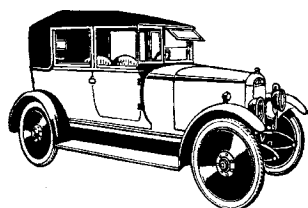

Members of the Rochester Historical Society will be manning booths at the Rochester Country Fair on Saturday, **August 21** and Sunday, **August 22**. Items offered for sale include our famous cookies, breads and pies and a new tee shirt design as well as embroidered Rochester sweatshirts, jean shirts and hats. Rochester books available include *Images of Rochester*, *Tales of Old*

Rochester and *The Cranberry Kids* series by Ann Morse, and the Rochester Coloring Book. Stop by and see if your older home is in the Survey of Rochester Historical Properties or just visit and explore Rochester history.

Electrical Upgrades Coming

NSTAR crews will be working on a major system upgrade for customers in Mattapoisett and Marion. The work, which is taking place along Route 6, began in the spring and is scheduled for completion this fall.

New transformers, tree-resistant wire and hundreds of new poles will be installed as part of the upgrades. The new equipment will allow for a voltage increase from 4,000 to 25,000 volts to better-meet the

rising demand for electricity in the area. Additionally, the tree-resistant wire will help to reduce the amount of tree-related outages in the future.

Both towns will soon be among the NSTAR communities to benefit from a new computerized system to improve reliability. The new software, currently being tested across NSTAR's service area, will be capable of providing instant solutions to restoring power when an outage occurs. Workers will then be able to remotely operate automated switching equipment to reroute power around the problem, reducing the duration time of outages for many affected customers.

NSTAR is the largest Massachusetts-based, investor-owned electric and gas utility. The company transmits and delivers electricity and natural gas to 1.4 million customers in Eastern and Central Massachusetts, including more than one million electric customers in 81 communities and 300,000 gas customers in 51 communities. For more information, visit www.nstar.com.

Rochester Land Trust News

• **At the Country Fair** – The Rochester Land Trust's presence will again be felt at the Rochester Country Fair. The RLT will have a booth showcasing the Trust's accomplishments, selling items with the RLT's logo of a lone windswept pine, and talking to members and future members about benefits of membership in RLT.

• **Annual Pig Roast** – Due to the current restrictions placed on outdoor activities after dusk due to the threat of EEE, the Annual RLT Pig Roast will not be held. Both members and the more than 225 people who have enjoyed this annual meal are saddened. But as environmentalists who spend more time in the woods than most, the RLT realizes the seriousness of the disease, and know that safety of the public takes precedence over its largest yearly fundraiser.

Members of RLT will be available on Saturday during the fair to talk about the many lands in trust that the RLT either owns outright thru purchase or donations as well as the several parcels in town upon which people have placed conservation restrictions. Maps of all of the

Have you been involved in an accident?

Is your insurance company trying to steer you to a repair shop you don't know?

You have the right in Massachusetts to go to any licensed and bonded auto body repair shop of your choice. Collision Services of Marion, Inc. is licensed and bonded. We work with all insurance companies, for the hourly rate they pay.

Are they intimidating you, telling you they will not guarantee the repairs unless you go to one of their referral shops?

Collision Services of Marion, Inc. guarantees all repairs. Referral shops repair cars for the insurance. We repair the car for you.

So, tell your insurance company no thank you, I'm going to go to Collision Services of Marion, Inc. There are insurance companies in Massachusetts that feel they are the biggest lion in the jungle. If you feel that you are being intimidated by the insurance company, or that the referral body shop did inferior work, stop by Collision Services of Marion and ask for the LION HUNTER!

The Curtain House

Unique seashell, nautical and coastal print curtains.
63 Alden Road, Fairhaven • 508-993-2869
www.thecurtainhouseonline.com • Open: Mon.-Sat. 10-5

Drive, New Bedford, MA 02740.

Doors open at 6:30 pm and seating is first come first served. Space is limited.

Dr. Rau is Chief Medical Director and Founder of the Paracelsus Clinic in Lustmühle, Switzerland. He will explain how allergies and asthma are only expressions of deep disturbances of the immune system. Dr. Rau will discuss the real underlying causes such as food intolerance, toxic loads, intestinal flora health, deficiencies of trace elements and more. He will talk about the diagnosis and treatment of these underlying causes using Biological Medicine and the tremendous long term success rate he has had with patients.

The free Allergies and Asthma lecture is a continuation of the Marion Institute's effort to try and create deep and positive change through a diverse array of solution-based programs.

Dr. Rau will also be conducting a Biological Medicine Seminar in Dartmouth, MA from September 30 to October 2. This seminar will focus on Advanced Approaches to Difficult Diseases plus Advanced Applications for Rheumatic and Chronic Inflammatory Conditions using the Pleo-Sanum remedies. The seminar is designed for health practitioners and medical students. Please visit our website www.biologicalmedicinenetwork.org or call the Marion Institute at 508-748-0816 for more detailed information.

EDITOR'S PICK OF THE WEEK

Rochester's Bob Cummings Will Be Missed

By Laura Pedulli

Rochester is preparing to lose one of its most active civic participants when Bob Cummings leaves the area in a few short weeks. During the past 25 years, Mr. Cummings has served on more than a dozen committees and ad hoc committees, offering critical expertise in areas including planning, water resource management, education, finance, technology, and communications. Mr. Cummings epitomizes what it means to be a true civic participant, and not only will he be missed for his accomplishments, but for his disarming, personable demeanor and sense of humor.

"The world has been good to me, so it's important to me to give back to the community," Mr. Cummings said simply, noting that as an engineer, he proactively seeks out systematic and long-term approaches to issues.

The scope of Mr. Cummings' decades of civic involvement deserves mention. He began his service in 1986 with a three-year stint on the Finance Committee. In 1993, he joined the Rochester Memorial School Committee for five years, serving as Chair for the last three of those years. He also spent one year on the ORR Regional School Committee in 1999, two years on the ORR District Technology Committee and in 2002 became one of 16 members of the RMS Building Committee responsible for the school renovation and expansion project currently underway.

Mr. Cummings said he had "the most fun" on the school committees. "Bob stands much taller than his physical being is, he has always given his talents," said Shirley Bourque, who served with him during his tenure on the RMS committee. "He has a passion for education; he wanted to ensure that Rochester had a top notch school that could be maintained. He had a vision. Everything came back to that vision."

Ms. Bourque in particular recalled his pivotal role in establishing the Old Rochester Athletic Foundation that provides tax-based educational scholarships. She also described Mr. Cummings' efforts to improve the technology stock at the school. When a tax override to fund new wiring for the building did not succeed, he founded Parents for Computers – which he backed with his own money – to get the job done. "He did a lot behind the scenes," said Ms. Bourque. He loves children as well – and for several years sported Santa Claus' suit during the school's annual holiday crafts event.

Mr. Cummings also inspired people to bring their best to the table, Ms. Bourque said. "If you are a friend of his, you learn to give the three Ts: your talent, your treasure, your time,"

she said, noting his willingness to embrace anyone to build consensus. Further, he sacrificed his free time to help shape a town he loves, she said.

In addition to education, Mr. Cummings has served for more than 10 years on the Planning Board, as chair between 1998 and 2001 and as a regular member from 2003 to the present. He also is the mastermind behind two renditions of the town's Master Plan. For Mr. Cummings, he believes community involvement is essential in future planning of the town. "The town should control its own destiny and get out in front with planning, instead of letting it happen. The town is going to grow, and you can guide the way it grows," he said.

Planning Board Chairman Arnie Johnson, who has known Mr. Cummings since 1998, reflected on the town losing him as a civic mastermind. "There are a ton of people who benefit from his decisions and don't even know it," he said, adding that his work on site plans and projects, including the RMS building project and his work on the Water Committee,

has saved the town a significant amount of money. "He could explain why we want to do something a certain way, which would lead to cash savings," he said.

Mr. Johnson continued: "Every once in a while a person comes along and makes a huge difference. He always had the town at heart. With the passing of Judge Chris Byron and with [Mr. Cummings] leaving, there is a huge hole in the town."

Selectman Chairman Naida Parker concurred. "As a member of the planning board, [Mr. Cummings'] expertise on engineering is something they've leaned on. By losing him, it's going to leave a hole," she said. Although she never personally served with him on a committee, Ms. Parker commended his sense of humor: "I like him; we can

disagree without being disagreeable and we can find humor in things... sometimes when we are in the heat of something, it is good to sit back and laugh and move on."

On August 10, Mr. Cummings planned to wrap up his service on the Planning Board. Mr. Cummings now is focused on his next conquest: California, where he will continue his work as an entrepreneur and reside closer to his daughter. He does not anticipate working in town politics again; instead, he plans to volunteer with seniors, among other endeavors.

"We are in a better community for people like Bob; I think he will be sorely missed," said Ms. Bourque. In parting, Mr. Cummings offers some advice: "People need to get involved. It is their town and they should make it what they want."

Mosquito Dunks Available in Mattapoisett

In an effort to reduce the mosquito population and help protect our residents from mosquito borne disease, Mattapoisett is making mosquito dunks available to its residents.

The Mattapoisett Board of Health has mosquito dunks available for residents to help to stop mosquito larvae from hatching in small wet areas. Complete instructions for use and other info will be given out with the dunks. They are available at the Mattapoisett Board of Health office in the town hall at no charge. Residents can request up to two dunks at a time.

The dunks will treat 200 square feet. If you have an area larger than 200 square feet that has standing water you can call Plymouth County Mosquito Control at 781-585-5450 or contact them through www.plymouthmosquito.com and they will spray your property. These dunks are extremely effective in wet

areas around the home and will last 30 days or longer depending on conditions.

If you have any questions, please contact the Board of Health at 508-758-4100 ext. 8.

Rochester COA Annual Picnic

The Rochester Council on Aging is having its Annual Senior Picnic on Thursday, **August 19** from 12:00 to 1:30 pm, under the Big Top at Plumb Corner in Rochester.

This free event, sponsored by the COA, is free to all Rochester seniors. Volunteers from the Town's Highway Department, Fire Department, Police Department, and the Rochester Lions Club, will help the COA with the cooking of the buffet spread of barbequed and picnic menu items. Entertainment will be provided by Voices in Time, made possible by a grant from the Rochester Cultural Council.

Baywatcher Volunteers Needed

The Coalition of Buzzards Bay Baywatchers water-monitoring program is still seeking volunteers to help again this year!

Now in its 19th year, Baywatchers is Massachusetts' largest volunteer-based coastal water monitoring effort. From May through September, more than 100 dedicated volunteers help to monitor the health of Buzzards Bay by testing water samples in more than 30

MOVIE REVIEW

Keystone Cops

By Rob Gonsalves
www.robsmovievault.com

***The Other Guys*.** Starring Will Ferrell and Mark Wahlberg. Directed by Adam McKay. Running time: 107 minutes. MPAA rating: PG-13.

Part of the fun of *The Other Guys* is that its early scenes show you how bad it could've been. We meet two supercops, played with supreme comedic arrogance by Samuel L. Jackson and Dwayne Johnson, and you could almost write their movie in your head. But, true to its title, this film is actually about two other guys, police accountant Will Ferrell and busted-down cop Mark Wahlberg. This isn't exactly the *Rosencrantz and Guildenstern Are Dead* of cop-buddy films, since Jackson and Johnson go out of the picture fairly early on, but we do feel as though a rote action-comedy has taken a sharp left turn and occupied itself with two schlubs on the margins.

The result is a fast-punching farce with a serious devotion to the random. This is the usual modus operandi of director Adam McKay, a frequent Ferrell collaborator (*Anchorman*, *Talladega Nights*, *Step Brothers*). We get, for instance, a running gag involving homeless guys having orgies in Ferrell's car. Or Eva Mendes, as Ferrell's wife, singing a little ditty called "Pimps Don't Cry." Ferrell has torn his clothes off and bounced off the walls in other movies, but there isn't a lot of slapstick in *The Other Guys*; the humor is more verbal, even conceptual. When Wahlberg tries to intimidate Ferrell with an absurd analogy involving a lion and tuna, and Ferrell tops it by refuting it in such detail that he seems to have given it weeks of thought, we know we're not in the same country as something like *Cop Out*.

There's a plot here, but we ignore it at our peril, since it actually bears some relevance to current events; it involves various machinations by slickster magnate Steve Coogan, who owes serious money and hopes to get clear by hijacking people's pensions.

During the end credits, we get stats on exactly how much money was poured into the banking bail-outs. A bit weighty for a movie featuring hobo orgies, we might think, but actually the whole movie proceeds from a working-stiff resentment of the flashy and powerful. The supercops Jackson and Johnson, for instance, wreak \$12 million worth of property damage in their attempt to take down some low-level pot dealers. I don't know how persuasive this point can be when made by a movie that reportedly cost \$100 million — a ridiculous budget for a comedy — but the point is made just the same.

Wahlberg makes a decent straight-man foil for Ferrell; his smitten scenes opposite Ferrell's unexpectedly hot wife are probably his best. Ferrell is on his game, getting a lot of comic mileage out of an almost surrealistically dull character. But *The Other Guys* endears itself the most by returning Michael Keaton to hilarious prominence. Keaton plays the guys' precinct captain, who has a side job unrevealed by me, and who seems to have a thing about people standing too close to him. Despite his limited screen time, Keaton creates a real, quirky person here, and he seems hungry as an actor again, this year's answer to Mickey Rourke or Robert Downey Jr., except that he didn't blow his career with drugs or bad behavior — the phone just stopped ringing. If *The Other Guys* does nothing else, let's hope it makes Keaton's phone start sounding off again.

harbors and coves from the Westport River to Woods Hole and the Elizabeth Islands.

A strong science background is not necessary. A good Baywatcher is someone who can consistently commit to one hour a week, between 6:00 to 9:00 am, from May to September. Baywatcher volunteers must be able to follow scientific instructions on how to test the water using the provided test kit and be agile enough to work on docks and piers along the water's edge.

All volunteer Baywatchers participate in a training session to learn the proper sampling techniques and receive a sampling test kit, a handbook of procedures/protocols, data sheets to record results, and a sampling schedule of the 22 sampling days. On

the scheduled sampling date, every volunteer goes to their assigned water testing site and with more than 100 volunteers collecting and testing the water at the same time the results give a "snap-shot" of the entire Bay's water conditions. The data is used to track changes in Bay health throughout the summer months and from year to year.

To sign up, contact Tony Williams, Director of Monitoring Programs for the Coalition for Buzzards Bay at 508-999-6363 x203 or e-mail williams@savebuzzardsbay.org. Please provide a message that includes your name, phone number, email and contact mailing information.

I'M A WANDERER

The Mattapoisett Touring Club recently visited Greece, where they took a photograph in front of the Arch Gateway to the Olympic Stadium, the site of the first Olympic Games in Olympia, Greece. Photo courtesy of Kay Levine.

Mattapoisett sixth-grader Noah Tavares poses with The Wanderer at the Easton JOAD Nationals in Des Moines, IA. Mr. Tavares competed in the 2010 JOAD Outdoor Nationals in Des Moines, IA from June 24 – 27, ranking eighth overall, with a third-place finish in the team event. Photo courtesy of Kevin Tavares.

These Wandering Wanderers enjoyed a recent trip to the southernmost point of Key West, Florida. Mattapoisett resident Michelle Randall holds a copy of the Wanderer with her parents Bob and Angie Randall by her side. Photo courtesy of Angie Randall.

Submit your photos by email to: support@wanderer.com
or by mail to P.O. Box 102, Mattapoisett, MA 02739.

Hayley Bentz and Ian MacGregor of Rochester recently took a trip to Long Island, New York. They took a moment to pose with a copy of The Wanderer in front of the Big Duck in Flanders, NY. The Big Duck, built to be a store by Martin Maurer in 1931, is a famous landmark in Long Island, and is on the national registry of historic places. Photo courtesy of Hayley Bentz.

Marion Block Party

Marion's Veterans of Foreign Wars, Benjamin D. Cushing Post 2425 will host the annual Block Party and Dance on Saturday, **August 28** from 5:00 pm to 10:00 pm on Spring Street in front of the Marion Town House. Admission is free. The Block Party will include dancing, food and drinks. Music will be provided courtesy of DJ Roger Chartier from 6:00 pm to 10:00 pm. The proceeds will benefit the Marion Veterans of Foreign Wars Benjamin D. Cushing Post, to be used for community service.

In addition to the dancing food and drinks, there will be a raffle, moonwalk and bake sale table. Last year's menu included fried and grilled scallops, fish and chips, clam chowder, hamburgers, hot dogs, clam cakes,

"A Family Tradition"

linguica, french fries and littlenecks on the half shell, soda and water. Beer and wine will also be available at the party.

If you would like to contribute to the VFW or to support the Block Party and Dance, please contact the Napoli residence at 508-748-2799. If you would like to help by baking an item for the bake sale, please contact Ms. Napoli at the above number or Debbie Gonsalves at 508-748-1458. Any contribution or assistance would be greatly appreciated.

The Block Party initially started by former Selectman Joseph Zora as an end of summer party that was first held at Silvershell Beach over 30 years ago. The Party then moved to the Town Wharf for several years.

Written by Tim Rice and Andrew Lloyd Webber *Jesus Christ Superstar* is a musical based on St. John's Gospel account of the last seven days in the life of Jesus of Nazareth. The story begins as Jesus and his disciples prepare for their arrival in Jerusalem and ends with the Crucifixion. Twentieth-century attitudes and sensibilities as well as contemporary slang are found within the lyrics and ironic allusions to modern life are scattered throughout the depiction of the events.

The cast for *Jesus Christ Superstar*, includes **Nathan Valente** as Jesus Christ, **Aaron Valente** as Judas Iscariot, and **Alexandria Mello** as Mary Magdalene along with many more current and past students of Old Rochester High School Drama Club.

1 Tbsp. Sour cream
Salt and pepper, to taste
Garnishes: caviar and chives, optional

Remove the small side muscle from the scallops, rinse with cold water, pat dry and season with salt and pepper. Combine 2 Tbsp. of Ginger Wasabi Sauce with the sour cream and set aside. Add oil to a 12 inch sauté pan on high heat. Once the oil begins to smoke, gently add the scallops, ensuring they do not touch each other. Sear the scallops for 1 minute on each side. Reduce heat to medium, drizzle with Ginger Wasabi sauce and cook an additional minute. Top with Ginger Wasabi/sour cream mixture and sprinkle with caviar and chives if desired. Serve immediately.

ARIES (March 21 to April 19) Avoid adding to the tension around you. Even a well-meant reaction against something you perceive as unfair could be misunderstood. Let things calm down, and then talk about it.

TAURUS (April 20 to May 20) It's a good time for romance for unattached Bovines, and a good time for reinforcing the bonds between partners. Children's needs are important during the latter part of the week.

GEMINI (May 21 to June 20) A compliment from a surprising source sends you wafting way up into the clouds, where -- sorry to say -- your view of what's going on is obscured. Come on down and face some reality.

CANCER (June 21 to July 22) Even a family-loving person like you sometimes can feel you're at the end of the line with contentious kinfolk. But things can work out. Remember that it's better to talk than walk.

LEO (July 23 to August 22) A job-related move might hold more positive surprises than you'd expected. Go into it with confidence, and look for all the advantages it offers. Then decide what you'll do with what you find.

VIRGO (August 23 to September 22) Driving yourself too hard to get something done on a deadline you set up can backfire. Ease into a more realistic finish date, and add more breaks to your work schedule.

LIBRA (September 23 to October 22) Your sense of humor can brighten any dark period, and your laughter can dispel those gray clouds swirling around you. The weekend presents a surprising but welcome change.

SCORPIO (October 23 to November 21) Be careful about the words you use, especially in touchy situations. The old Chinese saying that the spoken word is silver, but the unspoken gold could well apply here.

SAGITTARIUS (November 22 to December 21) Some facts could emerge to shed light on unresolved past problems. What you learn also might help explain why a once-warm relationship suddenly cooled down.

CAPRICORN (December 22 to January 19) Don't let your pride get in the way of checking into what could be a great new opportunity. Get the facts first, and worry about procedure and protocol later.

AQUARIUS (January 20 to February 18) A health problem in the family might have other relatives assuming that, as before, you'll take over the health-care duties. Surprise them and insist they share in the caretaking.

PISCES (February 19 to March 20) A series of changes can be unsettling, but in the long run, it can pay off with new perspectives on what you plan to do. Keep your mind open to the possibilities that might well lie ahead.

BORN THIS WEEK: You might be under a "royal" sign, but you have a wonderful way of embracing everyone as an equal.

food vendors.

On Saturday, August 21, Classic Car Enthusiasts may cruise on over to the Fair's car show which starts at 9:00 am for vehicle models 1972 and older.

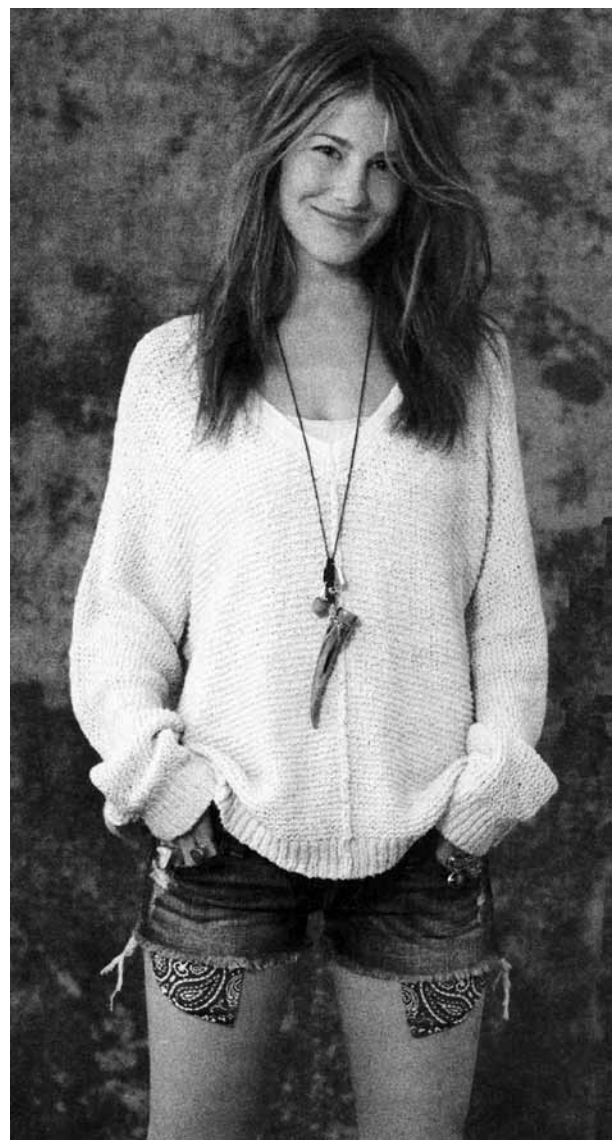

Children's events rule the center arena with games starting on Saturday at 11:00 am. There is no pre-registration, but you will need to bring your own frog to participate in the Frog Race. Other events include a Rubber Chicken Toss, Sack, Wheel Barrel and Three-Legged Races and a Pie Eating Contest.

An Antique Tractor Pull will begin at 10:00 am while the Pie Baking Challenge takes place at 3:30 pm under the big tent. The Fair also boasts a large collection of Farm Tractors and military vehicles on display, a Junkyard Art Décor Photo Contest/Exhibit, as well as a Hub Cap Decorating Contest. All are on display the entire weekend.

On Sunday, a Hillbilly-themed parade will step off from the Dexter Lane Ball Field at 10:00 am sharp. A children's magic show by Skip Daniels will take place in the main arena at 12:30 pm followed by the Parade Awards at 1:15 pm. Both the Fiddle Contest and Stock Lawn Mower/Garden Tractor Pull will begin at 1:00 pm.

At 1:30 pm, a Strong Man Exhibition, featuring events such as tractor tire flipping, farmers walk, log press and loading medley, will take place in the main arena. A brief intermission of that event will host a Man vs. Food Contest. The Fair Committee's Tub Race will take place at 4:00 pm. A complete list of event start times and rules may be found on the Fair's website www.rochesterma.com.

• **Vendors Wanted** – The Rochester Country Fair is seeking interested vendors for participation in the upcoming Annual Rochester Country Fair. The Fair, now in its eleventh year, features a unique mix of old-fashioned events and contests, a parade, strong man

The trees/stumps have been marked by a blue "X" at the following locations: Street Number Allen Street - 33, 39 Beach Street - 14 Bell Guzzle Lane - At 92 Front Street Briggs Lane - 38, 34 and at 72 Main Street Converse Road - 338, 124 Crapo Street - 1 Front Street - 39, at 1 Crapo Street, 101 Holmes Street - 74 Lewis Street - 74, 68, 60, 50, 44 Main Street - 82 Parlowtown Road - 5, 24 Rocky Knook Lane - 38, 50 Timothy J. Crowley, Tree Warden 08/05, 08/12 LEGAL NOTICE TOWN OF ROCHESTER PLANNING BOARD SITE PLAN REVIEW Rochester Planning Board will hold a Site Plan Review Hearing on Tuesday, August 24, 2010 at 7:15 PM in the Town Hall Conference Room pertaining to a Site Plan Application filed by the City of New Bedford, Department of Public Infrastructure, 1 Negus Way, East Freetown, MA 02717 for property located off Negus Way further identified on Assessors Map 45, Lot 8. The applicant proposes installation of photovoltaic (PV) panels at the Quittacas Water Treatment Plant to generate 90 kW of renewable energy. A copy of the plan is on file at the Rochester Town Hall Annex, 37 Marion Road and may be reviewed during the hours of 8:00 AM until 4:00 PM Monday through Thursday and Friday 8:00 AM - 12:00. Arnold Johnson, Chairman 08/05, 08/12 LEGAL NOTICE TOWN OF MATTAPOISETT BOARD OF APPEAL Notice is hereby given that the Mattapoisett Board of Appeals will hold a Public Hearing on the following appeal and applications: Appeal by William Halmkin of 10 Ocean View Avenue, Mattapoisett, MA 02739 re property located at 8 Ocean View Avenue. The appellant is seeking an appeal of the Building Inspector's denial to revoke Building Permit (#10694) issued to Thomas & Terry Simonson. The property is further described as Plat 14A, Lot 113 on the Assessors Map. The hearing will be held in the Town Hall Conference Room on Thursday, August 19, 2010 at 6:00 PM #1178 Application of Richard & Gloria Waterhouse of 17 Bay View Avenue, MS, Mattapoisett, MA 02739 re property located at 17 Bay View Avenue MS. The applicants are seeking a Special Permit under Section 3.1.2.2 of the Zoning By-Laws to construct an addition that will not meet the required setbacks. The property is further described as Plat 15B, Lot 112 on the Assessors Map. The hearing will be held in the Town Hall Conference Room on Thursday, August 19, 2010 at 6:30 PM #1181 Application of Laima I. Zarins of 6 Charles River Square, Boston, MA 02114 re property located at 3 Ship Street. The applicant is seeking a Special Permit under Sections 3.1.2.2 and	3.1.2.3 of the Zoning By-Laws to raze an existing single family dwelling, guest house and deck and construct a new single family dwelling, garage and deck. The property is further described as Plat 8, Lot 78 on the Assessors Map. The hearing will be held in the Town Hall conference Room on Thursday, August 19, 2010 at 6:45 P.M. #1182 Complete applications and plans as filed are available for inspection in the Office of the Town Clerk during normal office hours. Jeffrey R. Chase, Chairperson Susan Akin Paul Milott Mary Anne Brogan Norman Lyonnais 08/05, 08/12 LEGAL NOTICE TOWN OF ROCHESTER PLANNING BOARD Notice is hereby given that the Rochester Planning Board will conduct a public hearing on Tuesday, August 24, 2010 at 7:15 PM in the Rochester Town Hall Conference Room regarding a Special Permit Application filed by Erica B. Benoit & Kathryn E. Guy for property located off Snipatuit Road to amend a Back lot/Common Driveway Special Permit originally granted May 25, 2010 and depicted on a plan entitled, "Plan of Division of Land in Rochester, Mass., prepared for Erica B. Benoit & Kathryn E. Guy, Map #35, Lot #35, Snipatuit Road, Rochester, Mass.", by Charon Associates, Inc. dated January 26, 2010 and last revised March 8, 2010. The applicant is seeking modification to Condition #11 of the special permit to consider revising condition to state "The Building Commissioner shall not issue an Occupancy Permit for Lot #35 until required Common Driveway features are fully in place to the satisfaction of the Planning Board and legal, deeded provision is made by the applicants for a house number sign, which shall be placed as stated". Further information may be obtained by contacting the Planning Office in the Rochester Town Hall Annex, 37 Marion Road between the hours of 8:00 AM and 4:00 PM Monday through Thursday and Friday from 8:00 AM to Noon. Arnold Johnson, Chairman 08/05, 08/12 LEGAL NOTICE TOWN OF MATTAPOISETT CONSERVATION COMMISSION The Mattapoisett Conservation Commission will hold a Public Hearing on Monday, August 23, 2010 at 6:30 PM in the Mattapoisett Town Hall on a Request for a Determination of Applicability submitted by Simon & Lauren Kavanagh. The Applicants propose to raze the existing single family dwelling for the purposes of constructing a dwelling in the same general location in compliance with Mass. Building Code and FEMA for construction in a Flood Zone. The project will also include the construction of a patio and crushed stone driveway, work which will be performed within a lawn area. All of the proposed work will be performed outside the 100 ft. Buffer Zone of any Coastal Wetland Resource Area, but within Land Subject to Coastal Storm Flowage, Flood Zone AE (El. 14) as determined by the Mattapoisett (F.I.R.M.) Flood Maps. The project is located at 8 Highland Avenue at Point Connett and is further identified as Lots #17 and #20 on Mattapoisett Assessors Map #2A. Conservation Commission 08/12	LEGAL NOTICE TOWN OF ROCHESTER CONSERVATION COMMISSION & TOWN FOREST COMMITTEE A public hearing will be held on Tuesday, August 17, 2010 at 7:00 PM in the Town Hall Conference Room regarding a Request for Determination of Applicability filed by Lorraine Roy Hawkes, 591 Neck Road, Rochester, MA. 02770. The applicant proposes removal of five trees within the 100-foot Buffer Zone that are up rooting the back driveway. The subject property is located at 591 Neck Road in Rochester and is designated as Lot #25 on Assessors' Map #43A. The property owner of record is the same as the applicant. This hearing is being held under the Massachusetts Wetland Protection Act, MGL Ch. 131, Section 40 and the Town of Rochester Wetland Protection By-Law. Rosemary T. Smith, Chairperson 08/12 LEGAL NOTICE TOWN OF ROCHESTER BUILDING COMMITTEE INVITATION TO BID Invitation for Bid for Furniture for the ROCHESTER MEMORIAL SCHOOL PROJECT In accordance with Chapter 30B of the Massachusetts General Laws, the Uniform Procurement Act, The Town of Rochester, Massachusetts, through the Town of Rochester Building Committee, is seeking to procure furniture for its school project. The Bid Documents are available from Richard LaCamera, Town Administrator, Town of Rochester, 1 Constitution Way, Rochester, Massachusetts 02770 on or after August 9, 2010, between the hours of 9:00 a.m. and 4:00 p.m. (EST) Monday-Thursday and Friday 9:00 a.m. and 12:00 Noon or by calling 508-763-3871 ext 12. Bids are due no later than August 23, 2010 by 12:00 Noon. to Richard LaCamera, Town Administrator, Town of Rochester, 1 Constitution Way, Rochester, Massachusetts 02770. Bids submitted by fax or by electronic mail will not be considered. The Town of Rochester reserves the right to reject any and all bids if it determines, within its own discretion, that it is in the Town's best interests to do so. Building Committee 08/12 LEGAL NOTICE TOWN OF ROCHESTER CONSERVATION COMMISSION & TOWN FOREST COMMITTEE A public hearing will be held on Tuesday, August 17, 2010 at 7:00 PM in the Town Hall Conference Room regarding a Request for Determination of Applicability filed by Willow Creek Builders, LLC, 3 Belcher Street, Plainville, MA 02762. The applicant proposes installation of four (4) private wells within the 100-foot Buffer Zone on Lots 109, 110 and 111 on Comstock Place and on Lot 105 Box Turtle Drive. Siltation measures will be implemented. The subject property is designated as Lots #105, #109, #110 & #111, on Assessors' Map #19A. The property owner of record is Connet Woods, LLC, 3 Belcher Street, Plainville, MA 02762. The applicant's representative is Timothy Higgins of Edgewood Development Company, LLC. This hearing is being held under the Massachusetts Wetland Protection Act, MGL Ch. 131, Section 40 and the Town of Rochester Wetland Protection By-Law. Rosemary T. Smith, Chairperson 08/12

Hall. The evening will feature Mr. Christopher Daley in a one-hour in-depth retelling of the famous double homicide. Mr. Daley is a history teacher in the Silver Lake Regional School System in Kingston, and has been very active in history organizations throughout Plymouth County. He offers lectures on a variety of topics ranging from the Lincoln assassination to the Roaring Twenties to New England's haunted history. For the Borden case, Mr. Daley has utilized extensive research including archival materials, period newspapers and period photographs to create an entertaining, fascinating and informative presentation.

While many may know the ditty "Lizzie Borden took an ax...", few people know the actual facts of the

case. Mr. Daley's presentation will include a striking description of the day's events leading up to and including the murders of Andrew and Abbie Borden, a recounting of the subsequent police investigation and analysis of the evidence, and a summary of the Grand Jury hearings and trial, using actual testimony and newspaper accounts to illuminate the proceedings. In the end, different theories on the murders will be set forth and the question of "Whodunit?" will be put to the audience for further discussion and conjecture.

The Lizzie Borden case has considerable ties to Marion. The week following the murders, Lizzie was scheduled to vacation in Marion with a group of women friends, at the summer cottage of Dr. Benjamin Jones

Handy, father of Lizzie's close friend, Miss Louise Holmes Handy. Dr. Handy, a prominent Fall River physician, often allowed the use of his South Street property for his daughter's fishing expeditions. An accomplished angler, Lizzie had visited Marion many times for that purpose. In fact, Lizzie's alibi for the time of the murders was that she was in the barn loft of her Fall River home, looking for sinkers for her upcoming fishing jaunt in Marion. Beyond the accused's ties to Marion, the accuser had them, as well. Josea Morrill Knowlton, prosecutor for the case, was actually a Marion resident. For many years, he and his wife, Sylvia Bassett Knowlton, rented the house at 294 Front Street. In 1900, the couple built a summer house at 283 Front Street, where he died in December

Marion, MA • 508-748-2820

of 1902. Known as Knowlton House, the building now serves as a dormitory for Tabor Academy. Daggett House (275 Front Street), also a Tabor dorm, was built in 1913 as a permanent residence for the then-widowed Mrs. Knowlton.

"Lizzie Borden: The Mystery Continues" will be presented free of charge, though contributions are always welcome. Light refreshments will be served. For more information, contact the Sippican Historical Society at 508-748-1116.

shining, the breeze is blowing, the birds are singing, and the lawn mower is broken." -James Dent.

Come join the community for a perfect summer day at the Farmers' Market. Bring along your reuseable shopping bag, and fill it up with the wonderful produce the market abounds with.

Participating in the market are a variety of vendors to bring you the best of what the area has to offer. There will be local vegetable farm vendors, bakers, local artisans and skin care product vendors.

The Old Rochester Farmers' Market is located on the lawn of Old Rochester Regional Junior High School, and takes place on Tuesdays from 3:00 to 7:00 pm. **Please note: Due to the EEE risk, the market will be closing, per the Board of Health, at 6:00 pm until further notice.**

not yet a registered voter and would like to be able to vote in the September primary.

• **Late Dog License Letters** have been mailed.

There is a \$10 late fee in effect. If you have not yet licensed your dog please do so as soon as possible. The fee for a spayed or neutered dog is \$17 and for a male or female not neutered the fee is \$20. Rabies must be up to date and on file in the Clerk's office. If you have any questions please call the office at 508-758-4103 ext. 2

• **Mooring Inspections** – If your mooring number is between 500 and 912 you should be receiving a mooring inspection letter this week. Mooring inspections are done on a three-year cycle. The mooring inspection must be on file in the Town Clerk's office before payment will be

accepted for the 2011 season.

Massachusetts Veterans' Benefits

• **Chapter 115 Benefits** – The Commonwealth of Massachusetts is the only state in the Union that has made a provision by state law to provide veterans in need of financial assistance with food, housing, clothing, employment and burial assistance. Veterans and widows may qualify for a "medical only" budget if their income is below federal poverty level; single: \$1,805 per month, married: \$2,428 per month.

For further information, please contact the Veteran Service Office for the Towns of Mattapoisett and Rochester at 508-758-4110, ext. 212.

• **How to Display Your Flag** – It is the universal custom to display the flag only from sunrise to sunset on buildings and on stationary flagstaffs in the open. However, when a patriotic effect is desired, the flag may be displayed 24-hours a day if properly illuminated during the hours of darkness. When displayed either horizontally or vertically against a wall, the union (or blue field) should be to the observer's left. When displayed in a window, the flag should be the same way, with the union to the left of the observer in the street. No other flag or pennant should be placed above or, if on the same level, to the right of the flag of the United States of America, except during church services conducted by naval chaplains at sea and for personnel of the Navy, when the church pennant may be flown above the flag. These tips are brought to you from the Office of Veterans' Services for Mattapoisett and Rochester.

Mattapoisett Heritage Days

• **Postponement of Heritage Days Weekend** – The Heritage Days Weekend has been postponed until the weekend of **September 17, 18 and 19** because of the EEE public health threat and the Board of Health's closing of Mattapoisett parks and beaches.

The 2010 Mattapoisett Heritage Days Committee welcomes you to join the community in a weekend of family fun and sharing! Explore Mattapoisett's Heritage of Industry and Farming. Participate in a wide variety of events and activities designed for all ages, **September 17-19**.

Friday, September 17:

• The **Great American Cookout and Classic Car Show** will take place at Shipyard Park at 5:30 pm. It's becoming a tradition! Listen to old-time favorite cruise music while enjoying a traditional cook-out supper with

all the fixings at a great family price! After you are done eating, stroll through the park and check out the beautiful classic cars on display. Admission: \$8 for adults, \$5 for children.

Saturday, September 18:

• The **Kids Village Stroll** will begin at the Center School on Barstow Street. Decorate your bicycles and doll carriages for the village stroll. The stroll begins at the Center School at 9:30 am. **Children's Games and Craft Activities** will be at Shipyard Park, from 10:00 am to 12:00 pm. There will also be fire engine rides (with parent permission). **Craft Demonstrations** will take place from 12:00 to 3:00 pm under the tent at Shipyard Park. Visit local crafters demonstrating a variety of homemade items that were used for function and amusement in past times. Some will be fascinating to watch; other crafters will allow you to test your skills with hands-on participation. The **Treasure Hunt** will be from 11:30 am to 4:00 pm. Test your knowledge of Mattapoisett's town history and geography. The treasure hunt starts from the town gazebo at 1:00 pm. A valid driver's license is required by at least one team member. Pre-registration is suggested. Teams should consist of four to six people. **Salt and Cranberries** – Learn more about these two industries and the important role they played in the development of Mattapoisett. Explore the barn, filled with exhibits and tools, which show how these and many other industries helped Mattapoisett to thrive. This event will take place from 2:00 to 4:00 pm at

the Mattapoisett Historical Museum, 5 Church Street.

Concert in the Park – Come relax and listen to local musicians play at 7:00 pm at the Shipyard Park gazebo.

Annual Bonfire – The annual bonfire will take place at the town beach, Barstow Wharf, at 8:00 pm. Come join your neighbors as Heritage Days lights up the harbor once again.

Sunday, September 19:

• **Bus Tours** – From 11:30 am to 4:00 pm, the Mattapoisett Bus Tours will leave from the Legion Hall on Depot Street. A guided 60-minute tour will showcase Mattapoisett businesses and farms from days gone by. The tours will start at 11:30 am and leave every 30 minutes. Tickets are \$5 per person.

Town Beach Kite Fly – There will be kite-flying and face-painting, back by popular demand. Bring your own kite, or use one of the kites that will be available. The kite fly will take place at Mattapoisett Town Beach – time to be announced.

Veteran's Clambake – At 11:30 am, there will be a clambake on the old Holy Ghost grounds on Park Street. For tickets and more information, call Mike Lamoureux, 508-758-9311.

Community Picnic – Bring your picnic supper and lawn chairs and relax while you eat at Ned's Point, starting at 6:00 pm. Bring your family and friends for this community evening picnic.

Sunset Ecumenical Vesper's Service – At 7:00 pm, at the Ned's Point Lighthouse, there will be an ecumenical service to show

thanks for Mattapoisett and all the things that makes her special.

Yachts, Boats and Boat Shops

Join Seth Mendell, president of the Mattapoisett Historical Society, at the Mattapoisett Free Public Library for an illustrated talk entitled "Yachts, Boats and Boat Shops: Mattapoisett 1940-1980 as Seen through the Lens of Norman Fortier." The program will take place in the meeting room, Thursday, **August 19** at 7:30 pm.

Norman Fortier was a gifted photographer who took thousands of photographs throughout the SouthCoast area. We are fortunate that Mr. Fortier took many pictures of Mattapoisett yachts as well as the boat shops of Allan Vaites and Fred Brownell, including the first Brownell hydraulic trailer.

Friends of the Elderly

• **Friends of the Elderly Picnic** – The annual Friends of the Elderly picnic for Mattapoisett seniors will be held at the Knights of Columbus Hall at noontime on Thursday, **August 12**. The picnic is complementary; free tickets are available at the Mattapoisett Council on Aging, located in the Center School. For planning purposes, tickets must be picked up no later than the day before. Transportation can be arranged by calling the Council on Aging, 508-758-4110.

I Found the Aardvark!

Each week, hidden somewhere in the pages of *The Wanderer* is a tiny drawing of an aardvark. The little guy you are looking for looks exactly like the one pictured above (but don't put down this page as your answer, there's another one hidden somewhere in this issue).

Once you find the aardvark you can submit your answer online and if you are right you will get Aardvark Points! You can then use these points to get cool Aardvark Prizes!

Each time you find the Aardvark you will also be entered in our monthly drawing for other cool Aardvark Prizes.

If you would like to enter the monthly drawing by mail, send your name, address and phone number along with the issue date and page number you found him in to: Wanderer - I Found the Aardvark, P.O. Box 102, Mattapoisset, MA 02739. Entries by mail will not be eligible for Aardvark Points.

To enter visit: www.wanderer.com and Click on "I Found the Aardvark"

**In the August 5 issue
the Aardvark was on page 21!**
